

A Frog

By Asai Moto Shizu 2P

I am a frog

Dressed in a green suit.

I am not disgusting.

Think of me as a different thing –

A magician.

I love flies

That always fly near me.

Just like a cleaner,

I'm making them disappear.

Yes, me!

I don't bite

Or lick you.

I can only hurt myself –

Eating some insects that are toxic,

Making me sick.
