

# A Black Cat

By KWAN Tin-yan Michelle

I am a black cat

Dressed in a black robe.

I am not a witch's pet.

Think of me as a different thing –

A loyal person.

I love humans

That walk around the streets and parks.

Just like a fun little jester,

I'm always playing peek-a-boo.

Yes, me!

I don't bite

Or bring bad luck.

I can only hurt myself –

Getting too close to some humans,

Being hit by them.
