

A Bee

By LAU Tsz-ko Shiloh 2P

I am a bee
Dressed in a yell-black suit.
I am not annoying.
Think of me as a different thing –
A sweet girl.

I love flowers
That are full of petals.
Just like a diligent worker,
I'm making honey.
Yes, me!

I don't bite
Or attack you out of nowhere.
I can only hurt myself –
Producing too much honey,
Tiring myself out.
