

# Celebrate Chinese New Year at School!

Come and celebrate Chinese New Year at Belilios Public School! We are organizing a Chinese Culture Day and inviting all of you to join us! We have many activities and games planned for the day, such as DIY workshops and a fashion show featuring traditional clothes.

## What is Chinese New Year?

Chinese New Year celebrates the start of a new year on the Chinese calendar. People usually observe this holiday by wearing new or traditional clothes, receiving lai see from relatives, and enjoying a festive feast. Families especially enjoy celebrating Chinese New Year together!

## What will happen?

There will be a variety of activities at the event, including different kinds of rice cakes for visitors to try.

### **DIT Workshop (11 a.m. / 4 p.m.)**

Students can make their own red packets, also known as lai see. Social workers will teach students how to create these red packets, which they can take home.

### **Costume Competition and Fashion Show (3 p.m.)**

You can join the competition by wearing a traditional Chinese costume. The student whose costume best expresses Chinese culture will be the winner. At the same time, you can showcase your costume in the fashion show.

### **Game Booths (4:30 p.m.)**

Students can play various games at the booths. You will not only have fun but also learn about Chinese culture through different games.

### **Drama Show (5 p.m.)**

There will be a drama performed by students from the Drama Club in the hall. The drama will primarily focus on the legend of Chinese New Year. You will learn a lot about Chinese culture from the show.

### **Cooking Workshop (1 p.m.)**

Our Home Economics teacher, Miss Lee, along with students from the Home Economics Club, will teach how to make delicious rice cakes and turnip cakes in the Home Economics Room. Miss Lee will also explain what traditional foods people eat during Chinese New Year.
