

A Worm

By WONG Wai-yee 2P

I am a worm
Dressed in a cozy pink coat.
I am not lazy.
Think of me as a different thing –
A hardworking girl.

I love plants
That are grown in your garden.
Just like a protector,
I'm keeping the plants healthy.
Yes, me!

I don't bite
Or crawl on your feet.
I can only hurt myself –
Getting out of the warm soil,
Getting stepped on by someone.
